Calais And Boulogne, Important Coast Cities, Besieged By Germans

Top left—Calais, French port on the English channel which is reported circled by German hordes. Calais, opposite Dover, England, is a logical "jumping off" point for Hitler in his threatened invasion of England.

Top right—Here is another important channel port, Boulogne, reported invaded by the Germans. Below—British tanks rumble through the streets of London as the British capital prepares to repel the threatened German invasion. As tanks and other units advance to the coast, Prime Minister Churchill, in a letter to the trades union executive council meeting today in London, said that "the gravity of the situation deepens hour by hour." He pointed out that "the country's needs are imperative, inescapable and imperious and we shall pay dearly if we fail to meet them."

Salem's 2,000 Census Gain Sets Pace In 18th District

City Increase Greatest of Any Community in 5- County Area

The City of Salem, according to census figures released today by John B. Fickes, Wellsville, district census supervisor, has made the greatest growth in the past 10 years of any community in the 18th congressional district.

The district comprises Columbiana, Jefferson, Carroll, Harrison and Belmont counties.

Fickes, reporting this morning on the Salem enumeration, said that at least a 2,000 jump in population had been noted here.

The city's population, as of April 1, this year, is over 12,600 compared to the April 1, 1930, enumeration of 10,622, he said.

The figures, he explained, are preliminary, or unofficial, and he pointed out that there still may be some persons missed by the census takers who would report to him at the federal building in Steubenville and thereby boost the Salem total. Individuals not contacted in the census are urged to do so.

Forty years ago Salem's population was somewhere in the 8,000 mark and the increase since that time has been steady, with never a backward step.

Salem Red Cross Sends Out \$600 to Help War Victims

Salem's first cash contribution to the national chapter of the American Red Cross for use in alleviating suffering among innocent victims of the European war was sent out today from the local chapter.

A total of \$600 was forwarded to national headquarters at Washington, D. C., representing 30 per cent of the city's quota of \$2,000.

This amount represents contributions made voluntarily within the past week.

Pastors Planning Vacation School

The Salem Ministerial association, meeting yesterday at the Memorial building, completed preliminary arrangements for a vacation Bible school to be held during the two weeks following June 10.

Place for the sessions, which will be sponsored by all churches of the city, will be announced later. Children from kindergarten age through the senior years, 15, 16, 17 years, will attend the school.

The association named Rev. R. D. Walter, Presbyterian pastor, a director of the school.

Persons interested in teaching classes for the two weeks course are asked to notify their pastor.

Junior Orchestra To Present Concert

The Junior High school orchestra of 37 pieces will present its annual concert at 8 p. m. Tuesday in the High school auditorium, under the direction of Walter Regal.

Solo numbers will be given by Dale Wyckoff, clarinet; Barbara Wells, violin; Martin Juhn, piano; and Mary Jane Sproat, trumpet.

The public is invited to attend. Children must be accompanied by their parents, or adults.

Frightened Away

LISBON, May 25.—Police said burglars apparently were frightened away when they attempted to enter the Gruppner bakery on E. Market st. during the night. This morning two window screens were found to have been cut and putty removed from a pane of glass. The shop had not been entered, however.

Band to Rehearse

Preparing for their first public appearance at a county-wide grange rally at Greenford High school on June 8, the Mahoning county all-girls' band will rehearse Monday night at Greenford grange hall.

NAME MEMORIAL DAY SPEAKERS

Patriotic Groups complete Plans for Thursday Observance

Att'y Joel H. Sharp will be the principal speaker in the city's annual Memorial day exercises Thursday morning at Hope cemetery and Ira F. Mellinger of Leetonia will address groups at Grandview cemetery.

Patriotic organizations of the city, cooperating on plans for the observance, met in the G. A. R. hall last night to complete arrangements.

Rev. S. T. Magann, Baptist pastor, will be chaplain. Louis Raymond, High school senior, will give Lincoln's Gettysburg address.

Price Cope is president of the day, and George Votaw, marshal.

Philip Triem camp No. 43, Sons of Union Veterans and auxiliary; Mary Ellet, camp No. 70, Daughters of Union Veterans; Treseott Women's Relief Corps No. 34; Charles H. Carey, post No. 55, American Legion, and auxiliary; Allen Reynolds, post, Veterans of Foreign Wars, and auxiliary, will assemble on S. Broadway at 10 a. m., to march to Lincoln ave., where the Veterans of Foreign Wars and auxiliary will leave the line of march and go to Grandview cemetery for the program there. The other patriotic groups will go to Hope cemetery.

Help Streamline Salem City Laws

Salem city laws, many of which have become jumbled and contradictory in past years, are being revised, indexed and codified by three WPA workers now busily engaged at city hall, cooperating with Solicitor Henry L. Reese.

The project, which will cost the city about \$300, including the cost of printing new ordinance books, is operating in conjunction with one at Columbus, directed by Dr. Harvey Walker, head of the department of political science at the university. At least 30 Ohio municipalities are participating.

The staff at work here is indexing all ordinances by titles and referring them to the solicitor, who, in turn, checks them again, and makes any necessary revisions. A further checkup is made by the group at Columbus, and by that time any obsolete measures should have been eliminated, it is explained.

COUNTRY CLUB OPENS MAY 30

Active Season Is Planned; New Events Added To Program

While the Salem Country club will be open for inspection on Sunday, the club will have its official opening day on Thursday, Memorial day.

An active season has been planned for club members, according to a program of events released by Secretary-Treasurer John C. Litty.

Sports will include swimming, fishing, casting, tennis, shuffleboard, badminton, horseshoe pitching, shooting and archery.

Club officers are planning to construct an archery range and Rev. Fr. Herbert Cook, a bow and arrow enthusiast, has offered to supervise instruction of beginners and manage regular matches and tournaments.

New Attractions

Casting and archery, are new items for club members this season. Casting classes will be held for those interested, taught by Twing Seeds and George Baillie.

New backstops are to be built on the south end of the tennis courts. It is disclosed, and a stainless steel tennis net is being purchased for the No. 1 court. The sports committee also plans shuffleboard and badminton courts.

Officers of the club include: President, Dr. G. A. Roose; vice president, Carl F. Willman; secretary, treasurer, John Litty; O. F. Birkhimer is caretaker and John Evans

DEFENSE GROUP WOULD SPEED UP PREPAREDNESS

List of Names Already Compiled, Says Informed Authority

COINCIDES WITH SENATE DRIVE

Cabinet Members, Civilian Experts On World War Board

(By Associated Press)
WASHINGTON, May 25.—President Roosevelt, it was learned today, has decided to revive the "council of national defense"—in the World War a board of six cabinet officers and seven civilian experts—to coordinate and speed up the nation's extraordinary \$3,297,011,352 defense program.

Mr. Roosevelt, an informed authority said, already has compiled a list of names from which the council members may be chosen, but the identity of the men on the list is a closely guarded secret. Administration aides have been studying an enabling statute, dating back to 1916, to determine what revisions it may be necessary.

Coincides With Senate Drive

The word that a defense council was likely coincided with forewarnings of a senate drive to expand the navy's air arm far beyond the limits suggested in President Roosevelt's emergency preparedness program as the "surest" guarantee against an invader's attack.

Whether the new national defense council would have the same framework as its World War predecessor was not certain.

As the 24-year-old act now stands, the council would be headed by the secretaries of war, navy, interior, agriculture, commerce and labor, assisted by an "advisory commission" of experts from industrial and other fields.

The experts who helped marshal the nation's resources in 1917-18 were: Bernard Baruch, financier; Samuel Gompers, labor leader; Julius Rosenwald, businessman; Daniel Willard, railroad executive; Dr. Franklin H. Martin, a medical

LISBON, May 25.—Court attaches did a landoffice business in marriage licenses today.

Twelve licenses had been issued up to 10:30 a. m. and it appeared that a record might be set for a single day's business.

The licenses were issued to: Robert T. Moody of Canton and Marguerite L. Phillips of Salem; Emery H. Myer of Ellwood City, Pa., and June L. Hunter of Salem; Arwyn Donald Griffith and Mary Kovash, both of Salem; John Schuster and Doris L. Shaffer, both of Salem.

Thomas McGraw of Warren and Nellie Hart of Salem; Charles W. Riel and Sara Marie Gaston of East Liverpool; Edward Steber and Doris Hulton of East Palestine.

David M. Patterson and Kathryn A. Lodge of Leetonia; Ralph Barker, Jr., and Ina Mae Christy of East Liverpool; Floyd Close and Dorothy Clark of Salineville.

Lloyd Weaver of Moultrie and Ruth M. Roberts of Kensington; Wilbur Thomas Evans of Newell, W. Va., and Thelma Ruth Fife of East Liverpool.

Bunker Hill Will Hold School Rally

Former students and teachers of Bunker Hill school, district No. 5, in West township will have their second annual reunion at the schoolhouse Sunday, June 9.

A basket dinner will be served at noon followed by a short program and business session. The remainder of the day will be spent informally.

All persons planning to attend the reunion are asked to bring their own basket, table service and drinking water.

Walter S. Ruff is president of the reunion this year, while Frank Behner is secretary.

Germans Take Boulogne And Encircle Calais

Report Capture of Death-Hallowed Vimy Ridge of World War; Threat of Direct Attack On England Advanced

(By Associated Press)
BERLIN, May 25.—The Belgian army, the main body of the British expeditionary force and parts of France's first, seventh and ninth armies have been solidly ringed on the Flanders plains, the German high command announced today, and "weak" Allied attacks to relieve them have been repelled.

An "increasing" number of Allied prisoners from this trapped force, which has been estimated at between 500,000 and 1,000,000 men, are being engulfed in this major envelopment, it was said, and "the amount of booty cannot be estimated."

The high command declared that the Lys river, Belgium's last natural line of defense, had been crossed; Ghent and Courtrai, Belgium, captured; the French channel port of Boulogne wrested from land and naval forces, and nearby Calais encircled.

Vimy Ridge, death-hallowed battleground of Canadian and German forces in the World War, was reported captured in the general action along the southern edge of the German salient to the sea where the Germans said they had beaten back "weak enemy relief attacks."

"Vimy Ridge between Lillers and St. Omer up to Gravelines is in German possession," said the daily high command communique.

The capture of Boulogne and the threat at the gates of Calais advanced the threat of direct attack on England, for they lie only 26 and 23 miles, respectively, from the Folkestone-Dover coast.

Germans have said, however, that occupation of the narrowing area of southwestern Belgium and northwestern France—the sack of territory upon which the Nazis are pulling the drawstring—is a necessary prelude to any jump-off toward the English shore.

"The ring around the Belgian army, units of the first, seventh and ninth French armies and the main body of the English expeditionary force was considerably increased and thereby definitely closed," said the high command's review of yesterday's operations.

The ring-it now might be called a garrote—was tightened on its eastern front by capture of Ghent and Courtrai and crossing of the Lys river, a sequel to an earlier smash of Nazi divisions across the Scheldt which in one section parallels the north-south Lys river line.

Allied "Pincers" Tighten In Attempt to Trap Nazis

(By Associated Press)

PARIS, May 25.—The great battle of Flanders continued in full violence today, a military spokesman reported, as German troops moving through the breach in the Allied lines near Peronne met determined French resistance in the north-west.

He said German detachments which penetrated into St. Omer, 22 miles southeast of the channel port of Calais, were being held off by the French defenders.

The spokesman said fighting was continuing in the regions of Arras, where the German line was 12 miles from the channel, and Boulogne, channel port south of Calais.

He reported that the British and French air forces were laying down heavy bombardments on the German rear lines, on troop concentrations and on lines of communication.

While the morning communique of the high command reported consolidation of positions on the Somme and the taking of "a certain number of prisoners," the chief objective of the French army was to bite through the German salient.

Lad Hurt As Pony Is Struck by Auto

George Miller, 13, son of Mr. and Mrs. Harry Miller of the Black road, just south of Lisbon, suffered a fractured left leg when an automobile struck the pony he was riding along Route 30, two miles south of Lisbon, at 7:30 a. m. today.

The lad was brought to the Central Clinic. The animal was reported to have shied at something and stepped onto the highway and into the path of a car driven by Stephen N. Kovtonuk of Philadelphia, Pa. The pony was not hurt.

William Shepard, 22, of R. D. 3, Salem, and Donald Hawkins, 19, R. D. 1, Columbiana, received minor cuts and bruises when their automobiles, traveling up the Millville hill at 8:30 p. m. Friday, were struck by a skidding tractor-trailer, enroute east and driven by Marvin Moore, 24, of Novo.

THE HYPOTHESIS OF INVASION

American talk and action concerning adequate defense rest on the hypothesis of invasion of this hemisphere by a victorious Germany, possibly in combination with one or more of its ideological allies.

President Roosevelt in his preparedness message to congress explained the hypothesis of aerial invasion by establishment of bases in South and Central America. To develop the invasion theory completely, three other possibilities must be explored.

Defeat of Great Britain or British surrender in advance of complete defeat might result in Germany's possession of the British navy. That would mean the presence in the Atlantic ocean of a battle fleet which would be the approximate equivalent of the United States fleet in the Pacific. It would create the possibility of naval attack on the eastern seaboard, of seizure of strategic bases in the Caribbean, and of control over the Panama canal.

Closely related to this possibility is the possibility of the landing of troops in the United States proper by use of combined seapower and airpower. This should be called, perhaps, the greatest of all possible dangers. Aerial attack or naval attack would not constitute invasion in a literal sense without occupation by soldiers.

The third possibility is ideological invasion, culminating in active "fifth column" threats to the United States proper, with or without invasion from the air, by war or in the form of troops. This possibility already has been realized to some extent in both North and South America and is a very real and immediate danger. In the event of German victory, it may be assumed that Nazi sympathizers would pop up in the Americas like mushrooms, it being one of the oldest of political customs to get aboard a winner's bandwagon. The same thing which caused democracy to gain converts when the Allies won the World war would cause totalitarianism to gain converts if Germany were to win the present war.

There has been a natural division of opinion on the soundness of the invasion hypothesis. Speaking for one school, Col. Lindbergh says invasion is unlikely, though he does not say, as implied by Sen. Byrnes, who recently attacked him for his views, that the possibility does not call for both alertness and armament. Spokesman for the side which holds invasion to be probable is President Roosevelt, who is to tell the country Sunday night exactly what he proposes to do about it.

The possibility of invasion should not become a bogey—shapeless, nameless, vague. Enlightened public opinion, the backbone of representative democracy, should understand exactly what is at stake and wherein the dangers lie. It should understand the eventualities of British defeat, the encroachment of totalitarianism in Latin America, treachery in the United States. It should not imagine that a hostile army will be rolling through the country tomorrow, but neither should it imagine that such a thing is impossible.

One thing above all is clear. If the United States were as well prepared as it should be to protect itself in the kind of world aggressor nations have made, its citizens wouldn't need to wonder whether the hypothesis of invasion was being taken too seriously by some, not seriously enough by others.

—AND ON THE OTHER HAND

News from Japan doesn't cut much of a swath at the moment. As a reminder that the Japanese are leaving no stones unturned in the struggle "to get while the gittin's good" it is timely to report what "The Japanese American Review" says in its current issue.

"The Review," Japan's propaganda organ in this country, claims Japanese trade is going great guns in Latin America, gobbling up the markets abandoned by Germany. "The position of American traders—always with an eye to the potentialities of the still elusive 400,000,000 Chinese customers—unfortunately is in a precarious state," remarks "The Review" with gentle sarcasm.

Friendly little people, the Japanese.

THE STARS SAY:

For Sunday, May 26

SUNDAY'S HOROSCOPE is a forecast of much steadfast and serious progress in the direction of advancement, preferment, esteem and perhaps dignities at the hands of superiors, employers and those in high place of power and prestige. The intellectual and audacious faculties are active and aspiring despite much profanity.

Those whose birthday it is may look for recognition and reward from superiors and those in high places, who may proffer promotion, preferment and tokens of esteem and confidence, possibly in connection with literary or professional versatility and adaptability. These should be sought despite certain ideas of modesty, restraint or limitation. Pessimism should be resolutely routed.

A child born on this day while deep, serious, studious, may be moody and diffident, may have many brilliant talents and charms, recognized and honored by its superiors. It may attain high professional popularity and standing.

For Monday, May 27

MONDAY'S astrological forecast is for some tenacious obstacles or thwarting situations which it will be difficult to break loose, especially if too much tempest and high pressure of a rash or drastic quality be brought to bear. Since the higher faculties are unusually keyed up and sagacious it would be best to think through rather than hammer through. Let moderation rather than force prevail.

Those whose birthday it is are likely to encounter some turbulent and frustrating circumstances, which it will be difficult to combat. This had best be done by clear and patient thinking rather than impulsive and violent attack, which may defeat and invite hostility, reacting on the personal happiness. Work through highly stimulated intuitions and keen perceptions rather than force.

A child born on this day may have highly stimulated faculties and perceptions, needful to meet much frustration and opposition in life. These should be applied to difficulties rather than violence, passion and impetuosity. Early training in this direction would be particularly beneficial in peculiar situations.

ENFORCE FAIR LABOR ACT

(By Associated Press)

CLEVELAND, May 25.—The wage-hour administration announced today an intensive drive in Ohio to enforce the fair labor standards act.

"The act really will be enforced," declared Miss Grace Glascoff, regional director, adding that the Ohio-Michigan region staff was being doubled to permit "industry-wide inspections."

"Previously we had only 22 inspectors in these two states," Miss Glascoff explained. "Our enforcement was limited to investigating complaints."

"The 20 new inspectors will enable us to go out and make inquiries, and eliminate the competitive advantages which some employees now enjoy through failure to comply with the law."

A regional conference of the newly-appointed inspectors and other wage-hour administration officials will start here Monday.

Col. Philip B. Fleming, national administrator recently instructed field forces to take immediate action against employers who have failed to keep true and adequate records. The wage-hour act presently requires payment of a minimum of 30 cents an hour, and overtime for all over 42 hours a week. The scale goes to 35 cents an hour and a 40-hour standard week next fall.

BRITAIN'S HOUR OF PERIL

Dentistry Is Still An Infant

But the Science Is Growing Fast

BY LOGAN CLENDENING, M. D.

AS WE pointed out when writing yesterday, the profession of dentistry is only one hundred years old. It was in 1840 that a college for the education of dentists was founded in Baltimore. The practice of denture then was largely that of tooth pulling or the making of dentures.

One of the earliest American dental memorials was George Washington's teeth, exhibited in Baltimore on the occasion of the centenary celebration and which were made of hippopotamus bone.

I suppose the greatest advance that has been made in dentistry in the hundred years of its existence has been in public education of the necessity for cleaning teeth in order to prevent decay. It

Dr. Clendening will answer questions of general interest only, and then only through his column.

It is difficult for us to realize that the toothbrush and cheap dentifrices are themselves of fairly modern origin. The first toothbrushes were made of horse hair or pieces of cloth or linen, sometimes of sponge.

The use of the toothbrush is still in its infancy according to statistics, for it is estimated that 70 per cent of the population of North America have never had their teeth examined and about 60 per cent have never brushed their teeth.

The idea of filling teeth and preserving them instead of pulling them out is also an introduction of the last century. The old dentists

used to use coins, gold and silver and lead, whenever they could get it, for tooth filling. The introduction of plaster and enamel is credited to Laurie of Edinburgh, about 1854.

Crown and bridge work, while it was attempted in very early times, has been put on a scientific basis only in quite recent times. It was in 1844 that a Swedish dentist suggested the fitting of a gold crown, and J. B. Beers, an American dentist, in 1873, made a gold shell crown which was so obviously practical that it stimulated others to invent adaptations of it.

Dentistry has naturally profited from two great advances in medicine—one, the introduction of anesthesia for which dentists were considerably responsible, and two, the use of X-ray.

Local anesthesia has, for most dentists, taken the place of general anesthesia for major dental operations. It seems strange that dentists, who have been so largely responsible for the early work in anesthesia, have never perfected a practical method of preventing pain in minor operations, such as drilling and cavity-filling.

The X-ray, of course, is a great boon to dentists. A great deal has been learned about tooth infection, unerupted teeth, malposition, since its introduction. I feel that we should pass on a warning from Dr. Walter S. Thompson of Los Angeles who cautions women against wearing heavy make-up when they go to dentists for X-ray. The cosmetics may form a layer of mineral substance on the skin which absorbs enough X-ray energy to cause burns. It takes quite a strong current to make good dental films and the danger of burning is by no means theoretical.

Another great advance in dentistry is the specialty of orthodontia or straightening teeth and creating good occlusion of the mouth, which is of course of benefit to general health.

Emmanuel Lutheran Sermon Subject Is 'The Way to Heaven'

Rev. John Bauman, pastor of the Emmanuel American Lutheran church, 291 S. Broadway, tomorrow will preach at the 10 a. m. worship service on the subject, "The Way to Heaven."

His sermon will be the fifth in a series on the general theme, "Life Forever." The text of the sermon is written in 1 Peter 1:3-4.

"Blessed be the God and Father of our Lord Jesus Christ, who according to His great mercy begat us again into a lively hope by the resurrection of Jesus Christ from the dead, unto an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in Heaven for you, who by the power of God are guarded through faith unto salvation ready to be revealed in the last time."

The Sunday school, with classes for all ages, meets at 9 a. m. The adult Bible class meets at 9:15 a. m. German services at 11 a. m.

Love to God and Man

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself." To keep these two commandments is the whole duty of man. The two feelings are very different. It is with an adoring complacency that we love the ever-blessed God, desiring that His glory should be advanced and that His will should be the mind of the universe. It is with an affectionate fondness that we love our fellow-creatures, desiring that they should be happy in joy to God. The one love is simply outgoing, the other is full of worship. The one is filial devotion, the other is fraternal fondness.

Announcements

On Monday at 7:30 p. m., meeting of the Luther league in the social rooms of the church.

On Friday at 7:30 p. m., choir practice.

Rev. Keister Gives Second Sermon In Series on "Heaven"

The second in a series of sermons on the general theme "Heaven" will be delivered by Rev. George D. Keister, pastor, at the morning worship service of the Holy Trinity English Lutheran church tomorrow, the first Sunday after Trinity.

Complete services for the church are as follows:

Sunday school at 9:45—(Jeremiah 31:31-37); Charles W. Youtz, superintendent.

"No law is going to have the proper respect unless that law is accepted in the hearts of the people concerned. No matter how many laws are written, if they do not spring from the hearts of the people, the keeping of the commands will be a difficult task. True religion is to be found in the human heart. If we have the proper love for God, then we will not refuse to obey His commands. God is willing to make a promise with every person who will accept the challenge of His law."

Morning worship at 11. Sermon: "What an will be in Heaven?"

"It is the earnest desire of most all people that they may live in Heaven when this earthly life is completed. That is the plan and purpose of God, for He takes no pleasure in the death of the wicked. However, not all persons will be given the gift of life in Heaven, because they refuse to obey the regulations and rules of God. God is in Heaven. The angels are in Heaven. The redeemed and saved in the ages past, who have been numbered among the children of God, will be in Heaven. The population of Heaven will be made up of those who have accepted the redeeming grace of Jesus Christ, the only Savior."

World League at 6:30 p. m. The devotional topic is, "The Lutheran World Convention." Leader, Hazel Black.

Today's Pattern

MATRON'S SOFT SHIRT-WAIST Pattern 4470.

What an immaculate, fresh-from-the-laundry look Pattern 4470 has! It's a matron frock carefully planned by Anne Adams to enhance and soften your figure. A slenderizing pattern trims both the back and front skirt; the sleeves are short or three quarter. The neckline gracefully crosses over to button in single or double-breasted effect—thus breaking up your width-across. Softness through the bodice is held in place by gathers beneath the yokes. Wouldn't the long, gayly scalloped collar and the cuffs be crisp in ruffled edges? If you'd rather omit the collar and cuffs, just the edging would make a pretty trim.

Pattern 4470 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 3 1/2 yards 39-inch fabric and 1 yard contrast.

Send five cents (15c in coins for this Anne Adams pattern. Write plainly size, name, address and style number.

Order the new Anne Adams Pattern Book by the next mail. It will be clothes-ready for summer! Within its pages you will find a complete wardrobe for either a traveling or an "at home" summer. There are town and country tailors, the latest sportswear, airy sheers and cottons, enchanting evening gowns. Fashions for every age are shown, from magically slimming matron frocks to spirited clothes for tots—and each in an easy-to-use pattern. Book fifteen cents. Pattern fifteen cents. Book and Pattern together, twenty-five cents.

Send your order to Salem News Pattern Department, 243 West 17th St., New York, N. Y.

Methodist Church Plans Its Annual Memorial Service

The First Methodist church will conduct its annual Memorial service Sunday morning with Rev. Carl Asmus, pastor, preaching on the subject, "A Christian Position on War."

A vocal solo by Louis C. Baker of North Lima, "God Shall Wipe Away All Tears," and an anthem by the choir will be included in the service.

Complete services for the church are as follows:

9:45 a. m.—Church school. Lesson topic, "God's Law in the heart." Text, "I will put my law in their inward parts, and in their heart will I write it; and I will be their God, and they shall be my people," Jeremiah 31:33. Tag day for institute funds will be conducted by members of the Epworth league.

Thursday, May 30—Memorial day. "For the sacred significance of this day of remembrance when we honor the heroic persons who have served our country, we praise and thank Thee, O God."

7:30 p. m. Friday—Orchestra rehearsal; R. F. King, director.

7:30 p. m. Friday—Choir rehearsal; Homer S. Taylor, organist and director.

Christian Science Society Services

"Soul and Body" is the subject of the lesson-sermon which will be read at the morning worship of the Christian Science Society tomorrow. The Sunday service is also broadcast over station WCLE (610 kil.) in Cleveland the first and third Sundays of each month at 11 a. m.

Sunday school for pupils up to the age of 20 years is held at 9:30 a. m. The midweek service will be held the first Wednesday in each month at the church at 11 a. m.

The Golden Text is: "My soul longeth, yea, even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God" (Psalms 84:2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord is my portion, saith my soul; therefore will I hope in him... The Lord is good unto them that wait for him, to the soul that seeketh him" (Lamentations 3:24, 25).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The time approaches when mortal mind will forsake its corporeal, structural, and material basis, when immortal Mind and its formations will be apprehended in Science, and material beliefs will not interfere with spiritual facts" (p. 402).

This society maintains a reading room at 136 S. Broadway where the Bible and all authorized Christian Science literature may be read or borrowed. The room is open from 1:30 to 4 p. m. on Monday, Tuesday, Thursday and Friday and from 7 to 9 p. m. on Saturday.

The public is invited to attend all services and to visit the reading room.

COOS BAY, Ore. — Coos head near here is expected to become a Mecca for "buried treasure" hunters. Bill Brown, former local newspaperman, while walking along the beach in 1924 found a 20-gallon keg of whiskey. He worked all afternoon burying it beneath a fallen tree. Before he could return next day, a forest fire swept the area and destroyed his landmark. The "treasure" is still there—somewhere.

Left, Anna Neagle selects Alice blue wool suit; right, Wendy Barrie in cinnamon brown

The most important innovation in this season's costumes is the fad for pockets, which appear on coats, dresses, suit jackets, and even on evening gowns. There are plain pockets, embroidered ones, pleated, single, double, even triple ones. Anna Neagle has selected a suit of Alice blue wool, the casual jacket of which is single breasted, collar-

less and trimmed with three patch pockets. Wendy Barrie is shown wearing a cinnamon brown coat with four large "bellows" pockets. The placing of the pockets below the waistline so that they seem to swing from the belt, gives them a dashing, saddle-bag look. The coat has a stitched sailor collar, self-covered buttons and tie belt.

"Oomph" Candidate for Office!

Mrs. Winifred Johnson

Pardon our reference to "Oomph," a title claimed by Ann Sheridan, screen actress, but we couldn't help but use it to describe Mrs. Winifred Johnson, 24-year-old blonde housewife of Oklahoma City, a candidate for state senator on the Democratic ticket. Mrs. Johnson, whose husband is a grocery store clerk, says she always wanted to be in politics.

America Set for High Seas

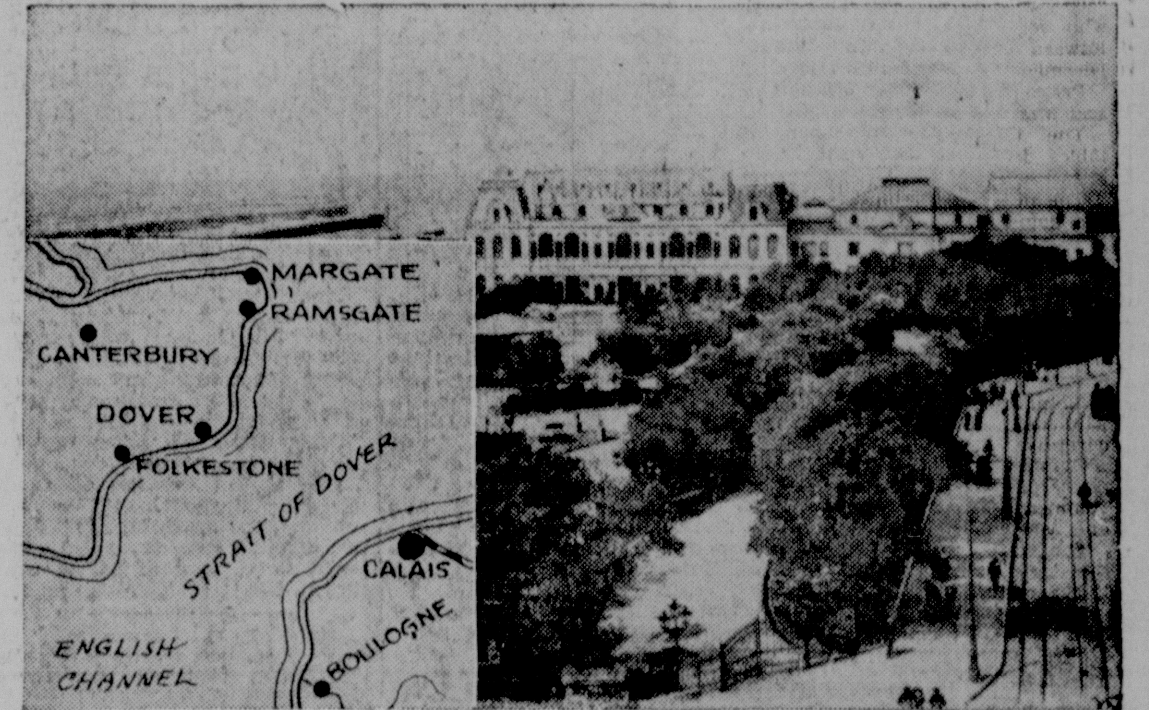

Finishing touches are applied to the giant liner America, newest and biggest vessel in the American Merchant Marine, at Norfolk, Va. The America, 723 feet long, is the largest passenger vessel ever built in the United States.

Sails For Ireland To Rescue American Refugees

Taken off her regular New York-Bermuda run and pressed into service as a refugee vessel, the S. S. President Roosevelt is shown as she sailed from New York harbor enroute to Galway, Ireland, to get Americans stranded in Great Britain and return them to the United States. The ship will sail the dangerous route unescorted, but she displays the American flag prominently and large American flags are painted on her sides.

Germans 30 Miles Across the Channel from England

Heiress Parted

Liz Whitney

Parted by divorce in Reno, Nev., where she is shown, Mrs. Mary Elizabeth (Liz) Whitney now plans to return to Hollywood to resume a planned movie career. Mrs. Whitney and her former husband, John Hay (Jock) Whitney, millionaire sportsman, had been married eight and one-half years.

FARMINGTON, N. H.—When the Advent Christian Church held its "family day" service, three families with a total of 45 children were among the congregation. Albert Stevens, a Middletown widower, was present with his flock of 19, and the Fred Chases and the Frank Kehoes of this town brought along their families of 15 and 11, respectively.

England Rounds Up Pro-Nazis

Alarmed by the closeness of the advancing German armies, only 30 miles across the English channel from the coasts of Britain, British authorities have rounded up hundreds of aliens and possible "fifth columnists" who might aid Germany if the Nazis should attempt to invade the island. Among those caught and arrested in the drive against internal troublemakers were Sir Oswald Mosley, left, leader of the union of British Fascists, and Captain Archibald Ramsay, right, conservative member of parliament suspected of pro-Nazi leanings.

Mothers to U. S. Defense

Ten million mothers will be equipped with guns, ready to combat enemy parachutists, by July 1, according to Mrs. E. Johnston, New York regional director of the National Legion of Mothers of America. She is shown (right) with Mrs. Charlotte Young during target practice in Manhattan. Looking on (left to right) are Marie Kenney, Jr., Mrs. Timothy Kenney and Mrs. M. De Bryard.

Cleveland East Tech Is Favored To Retain Track Laurels

State Baseball, Tennis Events Rained Out, But Links Tourney Goes On

Coshocton Star Captures Medal Honors In Golf Tournament; Lane and Thomas Lead East Tech Qualifiers In Track Meet

COLUMBUS, May 25.—On the basis of qualifying tests, Cleveland East Tech seemed a good bet to retain its state high school track-field championship today at Ohio State university.

The Clevelanders, victors last year by one-sixth of a point over Columbus North, placed first and second in the high and low hurdles, second in the 100-yard and 220-yard dashes and third in the 440 in semi-final heats run off in a cold rain yesterday.

Baseball and tennis tournaments, rained out yesterday, were to start today. H. R. Townsend, state commissioner of high school athletics, said if the baseball tournament progressed through the semi-finals the finalists might be allowed to arrange a playoff later.

Golfers Play In Rain

The golfers waded through the first 18 holes with Toledo DeVilbiss taking a 10-stroke lead over Hamilton public with a four-man score of 345. Max McConnell of Coshocton was medalist with a 78, two strokes better than N. Albu of Alliance and Don Shock of Dayton. The remaining 18 holes will be played today "rain or shine."

The speedy East Tech athletes, whose 35 1-6 points last year topped Columbus North by one-sixth of a point, captured seven qualifying places to four for Columbus North and displayed a great superiority in the hurdle events that may prove the deciding factor in today's finals.

Harold Lane, who a year ago breezed to a state scholastic low hurdle mark of 24 seconds, easily won his heats in the high and low hurdle events and if any records are to be eclipsed tomorrow, the flying Lane probably will do the eclipsing.

East Tech's Chester Thomas, defending champion in the 100 and 220-yard dashes, qualified comfortably in defense of his titles although some surprise was shown when he failed to win either of his heats.

Trail Trepanier

With the first four finishers in semi-final heats qualifying for the finals, Thomas apparently was not exerting himself too much. In the century, he trailed Akron Garfield's Dave Trepanier, who won the heat in 10.3 seconds.

Trepanier is the flyer Thomas will be seeking to derail, for it was the Akron Garfield flash who handed him his first defeat in a year at the recent Salem Night Relays. However, he'll also have to look out for Dallas Dupre, Columbus North's "one man track team" who is being picked by followers to win four events and lead his team to the title.

Dupre finished fourth in his century test, behind Cathedral Latin's Eddie Prokop, who also qualified with a fourth place in the 220.

In Thomas' 220 heat, which was run in slow time of 23.6 seconds, the East Tech thunderbolt was content to let Paul Franke of Toledo DeVilbiss set the pace. Trepanier pulled up third.

East Tech's other qualifiers were Harrison Dillard, who took second places in both hurdle events, and Jesse Williams, sophomore flash who gained a third in the 400.

CAMBRIDGE, Mass.—Typical art forgeries are being shown alongside original master works in an exhibit at Harvard University's Fogg Museum of Art. The display includes more than 70 genuine and counterfeit works in painting, sculpture and metal working. In many cases the genuine objects are not distinguished by label from the forgeries and the observer is asked to judge for himself.

Breezy Briefs Of Sport From Brietz To You

By EDDIE BRIETZ

NEW YORK, May 25.—All eyes are on the Boston Bees. They have two guys—Eddie Miller and Max West—either of whom might mean the bunting for five National league clubs. Nate Druxman offered Ken Overlin \$25,000 to fight Al Hostak out there but Overlin had to pass it up because he had already signed to give Ceferino Garcia a return bout in three months. Big Bill Tilden is getting back in the chips fast by giving tennis lessons in Los Angeles at 15 snappers per hour, with the customers standing in line.

Calling 'Em Close

In Florida last spring the Reds predicted Lee Grissom wouldn't last a month with the Yanks. They missed it by exactly one day. Mrs. Arturo Godoy had her tonsils snaggled and Arturo had to rush back from a refereeing tour. Eastern pals say Slip Madigan, ousted coach at St. Mary's (California) will run for congress out there.

This anti-fraternizing business has spread to the American league. The other day Fred Haney, manager of the Browns, was fined a fine for walking over to the stands and saying a word or so to Charley Dewitt, club secretary.

Today's Guest Star

Nady Cates, Winston-Salem, N. C. Journalist. "Any good football coach could have told the Allies that a fierce attack is the best defense... the old maxim, 'get there firstest with the mostest' is sound strategy in war as well as in football."

Three ring titles have changed hands in 13 days. First, Jenkins upset Ambers. Then Jeffra took the featherweight crown from Joey Archibald. Now Overlin beats Garcia and we mean he beat him. Arthur Donovan of New York refereed the last two bouts. The big topic among the Yanks these days is Hank Greenberg and the swell game he is playing in the Detroit gardens. Maj. Bob Neyland of Tennessee, one of the five best football coaches in the country, will return to the army voluntarily the minute he thinks the country needs him.

3 TEAMS FIGHT FOR HONORS IN BIG 10 LEAGUE

Baseball Race Tightens After Northwestern Loses To Ohio

CHICAGO, May 25.—Three teams still have a chance to get a slice of the Big Ten baseball title, but Illinois is the only one which can't miss a share of the championship.

Northwestern lost its chance to win undisputed possession of the title yesterday by bowing to Ohio State, 3 to 2. Now they have to defeat State today in their season finale to share the top spot with Illinois.

Illinois completed its schedule a week ago with nine victories in 12 games. Minnesota stayed in the running with a 2 to 1 victory over Michigan yesterday. The Gophers have three games to play, one today with Michigan and two next week with Iowa. Should they win all of them, their percentage would be the best but their record no better than the Illini's in the won-lost column.

TOLEDO LEADS GOLF TOURNEY

Rockets Out In Front In Conference Links Event

TOLEDO, May 25.—The University of Toledo, defending champion, went into the final 18-holes of the Ohio conference golf tournament today with a nine-stroke lead. The Rocket swingers shot the first 18 in 312 to top a five team field. Kenyon had 321, Wooster 324, Oberlin 336 and Denison 338.

Rain and a high wind swept the Heatherdowns course, sending most of the scores into the 30's. Marshall Carlson, Toledo captain and Ohio intercollegiate champion, paced the field for the first round with an even par 71.

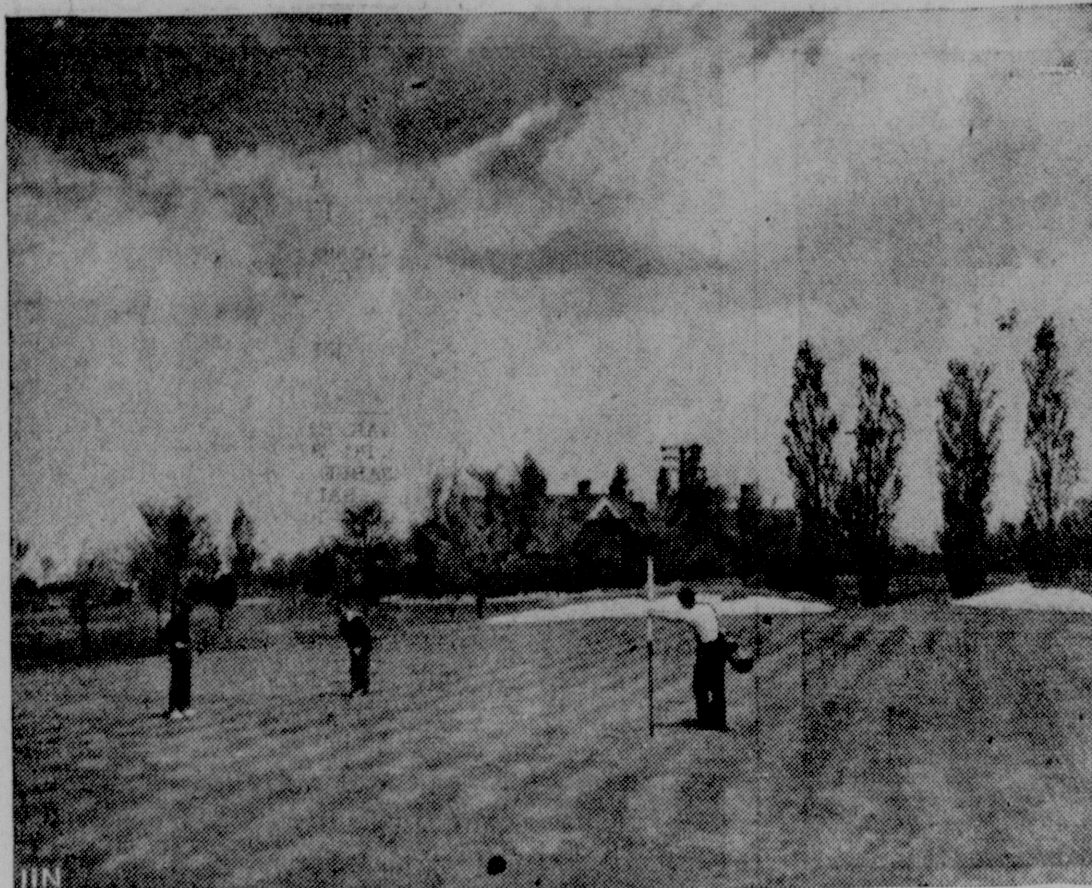

Other low scorers included Dick Gernert, Wooster, 74; John Carlisle, Oberlin, 75; Bill Stokes, Toledo, 77, and Earl Kate, Wooster, 77.

PASADENA, Cal.—When a woman ran her automobile into an eucalyptus tree at the Pasadena Rose Bowl, she was "so sorry" about it that the park superintendent became sorry for her and let her off with the payment of \$15 merely for ruining the tree. The next day the official was sorry that he had been asked where she could present her bill for \$8.50 for repairs to her car bumper.

Walters, Thompson Out to Regain Sole Possession Of Lead for Cincinnati

Harry Craft Returns To Center Field, Johnny Rizzo Takes Over Left Field As Reds Engage Cards In Double Header

CINCINNATI, May 25.—Bucky Walters, out for his seventh straight victory, and Junior Thompson faced the task of recapturing for the Reds undisputed lead in the National league today through a double encounter with the Cardinals.

Thompson has a record of five triumphs against two losses.

In addition to ordering his two best hurlers into the conflict Manager Bill McKechnie announced that Harry Craft would be back in centerfield and that Johnny Rizzo would take over leftfield.

Craft had been confined to the bench by an injured leg. Rizzo was recently acquired from Pittsburgh.

A double victory for the Reds, now tied with Brooklyn for first place, and a Dodger success would put the Rhinelanders a half game ahead. One win for Manager Ray Blades' boys might give Brooklyn a half-game lead; a double setback of the Reds and a Flatbush triumph would hand the Dodgers a game and a half reach on Cincinnati.

The Cards, who went 14 innings to an 8 to 8 tie but have not defeated the Reds this season, called Lon Warneke and Bill McGee for mound duty.

Idle Yesterday

The Reds were idle yesterday after a somewhat disappointing invasion of the east in which they won three, lost four games and were forced to postpone three bookings.

Two night games dotted the major league program yesterday, the

Cleveland Indians winning one of them as Bob Feller pitched and batted the Tribe to a 3 to 2 victory over the St. Louis Browns.

In the other night game, the major leagues' third in two nights, the New York Giants defeated the Boston Bees 8-1. The affair not only introduced nocturnal baseball to Manhattan, but to most of the Giant players because the club had refused previously even to play night games on the road.

A pitching performance which rivalled Feller's and one of the best mound duels of the spring was provided in the Chicago White Sox' 2-1 decision over the Detroit Tigers. John Rigney permitted just three hits and fanned six. In seven of the nine frames he retired the Tigers in order. One of the two innings he didn't was the fourth, when Charley Gehring and Hank Greenberg doubled in succession for a run.

These were the day's only major league games.

ALLIED 'PINCERS' ARE TIGHTENING

Gains Reported by Paris In Attempt to Trap German Coast Troops

(Continued from page 1)

meditely north of the Somme, and said they were "evidently the beginning of larger action."

Dispatches from the front indicated that the French, aided by concentrated artillery fire, were attacking heavily on both sides of the breach and that they had succeeded in closing in for a distance of some 10 miles.

Elsewhere the Allied lines were reported holding firm and there was an atmosphere of flinty confidence here (13 words censored here)

Hammer Nazi Night Flank

While the main body of the French sought to drive north from the Somme and cut the German "bottleneck," Allied troops with drawing from Belgium were said to be hammering at the Nazi right flank in the vicinity of Cambrai.

Heavy fighting was reported in the outskirts of Cambrai, which is about 22 miles north of the Somme.

The battle appeared to be developing into a race against time as the Allies sought to close the breach in their lines before the Nazis could reinforce advance guards which have penetrated to the vicinity of Calais.

If the drive is successful, the German mechanized units which are now threatening channel ports will be isolated behind the Allied front.

Theatre Attractions

The promised sequel to "Young Tom Edison," in which Mickey Rooney portrayed America's greatest genius as a boy, is "Edison the Man," with Spencer Tracy in the title role. The picture will be seen at the State theater Sunday through Tuesday.

Rita Johnson, Lynne Overman, Charles Coburn, Gene Lockhart, Henry Travers and Felix Bressart are seen in the supporting cast.

The picture traces the career of Edison, after a prologue showing the great inventor at the age of 80, from the time of his arrival in New York in 1869, through the invention of the talking machine and finally the electric light in 1879.

Great Dramatic Picture

Tracy's physical resemblance to the man whose life he portrays so beautifully, the colorful background of the era which is preserved intact, the splendid performances of every member of the cast make the screen tribute to one of America's most beloved characters a great dramatic picture.

The Grand's Sunday only feature will be "The Gentleman From Arizona," a film done in natural color, with John King, J. Farrell MacDonald, Ruth Reece and Craig Reynolds, in the story of an outlaw stallion from the west who brings success and happiness to his owner and his family, and "East Side Kids" with Leon Ames, Vince Barnett, Dennis Moore, Joyce Bryant and the original East Side Kids.

At the State Wednesday only: A romantic comedy, "I Was an Adventurer," with Richard Green.

Zorina, the ballet queen and stage comedienne who forsakes her dancing slippers and stage work to essay a dramatic role in a tale of a captivating jewel thief and a romantic gentleman.

Thursday, Friday and Saturday, "Terror Zone," featuring James Cagney, Ann Sheridan and Pat O'Brien as three Americans who get mixed up in a South American revolution that is only slightly more explosive than their three-way romance.

Concluding at the State tonight is the musical comedy, "If I Had My Way," with Bing Crosby, Gloria Jean, Charles Winninger and El Brendel.

The Grand's feature Wednesday only will be: "The Human Monster," an Edgar Wallace horror story with Bela Lugosi, Hugh Williams, Greta Gynt, Edmon Ryan and Wilford Walter; and an adventure story, "Outside the Three-Mile Limit," with Jack Holt, Harry Carey, Sr., Ruman, Eduardo Cianelli, Donald Briggs and Irene Ware.

Friday and Saturday, "Blazing Six Shooters," with Charles Starrett, It's Meredith and Sons of the Pioneers.

Tonight's concluding feature at the Grand is "Light of Western Stars," with Victor Jory and Jo Ann Sayers in the well-known Zane Grey western drama.

DEATHS

MRS. FRANCES RUSSELL

Mrs. Frances Courtney Russell, about 61, died at her home, 224 S. Broadway, at 10 p. m. Friday of complications following two months' illness.

The daughter of David and Rachel Courtney, she was born in Berlin June 3, 1879. She was a lifelong resident of Salem, and a member of the Nazareth church.

She is survived by four daughters, Mrs. Gladys Siegel of East Palestine, Mrs. R. M. Peters of Pittsburgh, Mrs. Arlene Keyes at home, and Mrs. Grace Spooner of Salem; one son, Charles J. of Salem; 10 grandchildren; two sisters, Mrs. Bertha Brown of Youngstown and Mrs. Ada Mitchell of Salem; and two brothers, Fred and Sumner Co. rney of Garfield.

Funeral service will be held at 2 p. m. Monday at the Nazareth church, in charge of Rev. John Guy, pastor. Burial will be in Hope cemetery. Friends may call at the home on S. Broadway Sunday afternoon and evening.

ELMER CALLADINE

Elmer Calladine, aged 50, of Niles, prominent retired grocer, died at 4 p. m. yesterday at the South Side unit of Youngstown hospital, where he had been confined for four weeks as a result of a fall.

Mr. Calladine, who had been in the grocery business in Niles for 35 years, was born in Washingtonville, Sept. 11, 1889, the son of James H. and Jane Booth Calladine. He had been in business with his father in 1906, and later with Clyde Cole. He retired a year ago.

Shortly after going to Niles he married Helen Eggleston. He was a member of the Knights of Pythias Niles lodge.

He leaves, besides his wife, a son, Clyde Calladine, of Niles, and a sister, Mrs. Bertha Stapleton, of Youngstown.

The body will be at the residence today, where friends may call until Sunday. The body will be returned to the funeral home for services at 2:30 p. m. Sunday.

GEORGE McMAHAN

COLUMBIANA, May 25.—George McMahan, 72, Elkrun township farmer, died of a heart attack at 4 p. m. yesterday while performing chores in his barn.

Born Sept. 16, 1867, at Cortland, he was the son of Mr. and Mrs. Aaron McMahan.

Surviving are his wife, Margaret; two sons, Leoine and Raymond of Cincinnati; two sisters, Mrs. Josephine Culler of Center township, and Mrs. Mary Heston of Elkton.

The funeral will be held at 2 p. m. Monday at the Warrick funeral home here, with interment in Kemble cemetery, near Elkton. Friends may call at the funeral home Sunday evening.

Miss Will Is Queen At Prom In Lisbon

LISBON, May 25.—Miss Elaine Will was crowned junior queen of Lisbon High school at ceremonies preceding the grand march at the Junior-Senior prom Thursday evening in the High school auditorium.

The crown was bestowed by Miss Virginia Morris, senior, who was queen last year, in a Dutch garden setting. The grand march preceding the dancing was led by William Hendricks, senior president, and the newly crowned queen, followed by Robert Walker, junior president, and Miss Morris.

Here and There About Town

Plans Apartment House

Sam F. Keener obtained a building permit from the city yesterday for the construction of a modern five-apartment house at the site of the old Salem Engineering Co. building, 739 E. State st. Valuation was placed at \$12,000.

William Wagner of 352 E. Third st. was granted a permit by the city to erect a garage and four-room apartment at the rear of his property at a cost of \$1,500.

A permit was issued Walter Irwin of 631 Jennings ave. to build a \$150 garage at the rear of his home.

Motorist Fined \$100

Otto Dannat, arrested by police yesterday on a charge of driving a car while intoxicated, was fined \$100 and costs at a hearing before Mayor Norman Phillips this morning.

Forest Bishop, charged by police with permitting an unlicensed driver to operate a motor vehicle, was fined \$1 and costs by the mayor.

Librarians Convene

Miss Alice Gladden, head of the Salem public library, left this morning for Cincinnati to attend the annual convention of the American Library association, which holds its annual meeting in that city for the first time Monday through Friday, May 31.

At the close of the convention Miss Gladden will go to her home in Carthage, Mo., for a visit.

Three Arrested In Burglary of Tavern

LISBON, May 25.—Delmar Hill, 21, and George Y. Blair, 20, of Rogers were bound over to the grand jury and held under \$1,000 bonds each, when they pleaded guilty before Mayor H. D. Cope at Rogers yesterday afternoon to charges of breaking and entering.

Sheriff M. K. Duty said Hill confessed and implicated Blair and a 17-year old youth in the Tuesday night burglary of Howard McCoy's tavern on Route 7, near Rogers. The juvenile was turned over to probation officers.

Four vending machines and two cases of beer were stolen from the tavern.

Death Cheats Coffin-Maker's Plans

EAST PALESTINE, May 25.—George H. Allcorn, 79, veteran cabinet maker here who had built his own coffin, died of a heart attack at his home, N. Walnut st., at 1:30 p. m. Friday.

The coffin he built for himself, however, Allcorn had already used for his wife Anna, when she passed away last November.

Soon after that he began work on another — for himself — but due to failing health he was unable to complete it.

Mr. Allcorn was head of the carpenters' local for 30 years and had been an organizer for the A. F. of L. Born March 27, 1861, at Achor, near Negley, he was the son of William and Anne Allcorn. He had lived in East Palestine most of his life. He was married to Anna Pfeiffer in 1883.

Surviving are two sons, Deuse, at home; Clifford of East Liverpool, and a daughter, Mrs. M. M. Martin of Youngstown.

The funeral service will be held at 2 p. m. Monday at the VanDyke

parlors, in charge of Rev. D. Porter Williams of the First Presbyterian church. Interment will be at the cemetery.

Will "Chat" Sunday

There was some speculation that Mr. Roosevelt might indicate his defense council decision in the course of his "fireside chat" broadcast tomorrow night, when the white house has promised the nation a "straightforward and factual report of the defense situation and defense needs."

The question of the effectiveness of the 1916 law in covering a new defense council has been raised by some legal historians, but the President was said to believe that a few changes could make it useful.

Advance notice of a senate drive for greater immediate enlargement of the navy air force was given after the senate naval committee decided yesterday to recommend a bill which would authorize a \$2,200,000,000 4-year program for the naval air corps and its shore bases. The measure, however, imposed a 10,000-plane top on the navy strength.

Organizations cooperating in the annual observance will attend Memorial Sunday services tomorrow at the Christian church, when Rev. C. F. Evans will deliver a sermon of timely significance. The groups will meet at the G. A. R. hall at 10 a. m.

Committees are requesting the public to all in securing flowers with which to decorate graves of veterans in both cemeteries. All who have flowers, shrubs and blossoms which may be used are asked to send them to the G. A. R. hall on E. State st. Wednesday night.

Another committee meeting is scheduled for Tuesday evening at the hall.

Stresses Religion In Talk To Class

DAMASCUS, May 25.—Diplomats were presented 31 Seniors at commencement exercises in Chen Township High school Friday night. Emmanuel Grise, president of the board of education, awarded the certificates.

Judge Clifford M. Woodside of Youngstown addressed the graduates on the subject "The Necessity and Value of Religion." He said the progress of our nation, as a whole, has been the result of religion and stressed the teaching of youth in religious education.

The Goshen High alumni banquet is scheduled for June 4.
